

Yes or No Tools

Clear communication is vital to the health of any relationship, especially female-male interaction. Learning to set boundaries is a key skill set that everyone must learn and be clear about. Student Wellness has published a series of posters and messaging platforms that can help individuals establish boundaries in no uncertain terms.

These materials are free for use for students and for use as teaching aids by residential assistants.

One Act bus posters (2012-present)

Find our messages which encourage bystander intervention on Chapel Hill Transit buses!

- [Poster 1 - Will](#) [1] (April 2012-3)
