

hha! Peer Educator Program

Who Are We?

hha! Peer Educators mission is *to inspire change toward better wellness for all through education.* As a registered student organization trained by our office, As peer educators, we offer 5 different health and wellness-related workshops, host individual hha! hours, and meet weekly to center our organizational values: self-work, leadership, friendship, communication, accountability, and integrity. they create health education

content and facilitate workshops that encourages everyone to be their best well self! You can find us supporting our core initiatives (LDOC S.N.A.C.K.S. and the hha! Newsletter), facilitating workshops/ trainings around wellness, and more. We educate the masses and have fun doing it!

We offer great experiences for those interested in Student Affairs, health promotion/prevention, public health, and wellness professions. Plus, we have fun working as a team! :)

All currently enrolled UNC students (graduate and undergraduate) are welcome and encouraged to apply.
