Thank you for turning to us for your Health/Wellness Programming needs. In order for your event to be successful, here are some things to keep in mind to help us help you.

1. We prefer that you have **10 or more attendees**. This will help you spread your message, maximize your impact, and have a great event. We are happy to help you brainstorm marketing and publicity ideas.
2. Because our programs are comprehensive and interactive, we ask that you **reserve a space for AT LEAST 60 minutes** to get the most out of it, though some require 90 minutes or up to 4 hours (One Act). See specifics below!
3. For us to facilitate the best event possible, please fill out this form **at least THREE (3) weeks before the event date**. The sooner we know about it, the more likely we’ll be able to accommodate your schedules!
4. We need a **ROSTER of your participants BEFORE** the workshop/training. Any event or program we participate in will have an **required evaluation** component for the participants in-person and also sent to them after.

**What you can request:**

- hha! Peer Educators
  - One Act training (4 hours)
  - One Act for Greeks training (3 hours)
  - Dimensions of Wellness & Self Care (60 minutes)
  - Healthy Relationships 101 (60 minutes)
  - Stress Management 101 (60 minutes)
  - Masculinities 101 (60 minutes)
