

Sign up to volunteer with Raise the Bar Outreach

Raise the Bar volunteers will outreach to bar establishments on Main Street in Carrboro and on Franklin and Rosemary Streets in Chapel Hill. Volunteers have previously included UNC-CH students, graduate paraprofessional staff, and Chapel Hill community members who have been involved in prevention. All volunteers will receive a specific **90 minute training session** on implementing this initiative and a **t-shirt** for their time!

Our outreach consists of disseminating general information about drug facilitated sexual assault (DFSA) and inviting them to schedule a bystander intervention training for their staff this Spring. We will also ask staff for permission to post the attached flyers designed by a OCRCC volunteer in the bathrooms at each establishment we visit. Our next Outreach Training is Tuesday October 29th from 4:00 p.m. to 7 p.m. Please fill out submission form if you are interested!

Name * _____

Email Address * _____

Phone Number * _____

Are you 21? * _____

Have you ever worked at a bar or restaurant which serves alcohol? * _____

Have you participated in Raise the Bar outreach before? * _____

Do you have an dietary restrictions or require accomodations due to a medical condition or disability? * _____
