

Last updated 6/4/2015:

This is a list of students at UNC (both undergraduates and graduate students) willing to be contacted to talk about or answer any questions related to recovery. We suggest that female- identified people call the female-identified people on the list, and male identified-people call the male-identified people on the list.

Male identified students:

Alex S – 910 – 638 - 5059

Gary A – 919 – 631 – 3250

Female identified students:

Suzy L - 315-730-5290
